

STATEMENT OF THE WORK DONE DURING THE YEAR

EXPLANATION

1. The building is situated on a plot of land of approximately 10 acres. It is bounded on the north by the main road, on the east by the railway line, and on the south and west by the city walls. The building is a large, rectangular structure, with a central courtyard and several wings of rooms. The main entrance is on the north side, and the main staircase is on the east side. The building is divided into several departments, each with its own set of rooms and corridors. The plan shows the layout of the building, including the main entrance, the main staircase, the main corridors, and the various rooms and departments. The plan is a detailed drawing, showing the exact dimensions and layout of the building. It is a valuable document for anyone interested in the architecture of the building or the history of the city.
